Helping Denver Families in Need

Dear Humanitarian,

On June 6, 2010, I will be running in the San Diego Rock 'n' Roll Marathon in California. My goal is to raise money to help provide nourishment for Denver families who need a little extra help.

Free Food 4 Families is a Denver based 501(c)3 non-profit that was founded January 1, 2009. This great organization collects cash donations from the community, buys nutritious food products, and distributes the food to local families in need.

Currently, Free Food 4 Families has nine families on its distribution list and makes a weekly delivery to each. Their efforts are truly making a difference in the lives of those families.

Although Free Food 4 Families is making a positive impact, there are still hundreds of families who could use their help. That's why I'm asking you to help me support Free Food 4 Families. Your donation will improve the lives of those in need.

Please sponsor me and give Denver families in need the chance to lead a healthy life!

You may select any of the options below and any amount you give is greatly appreciated.
